Prices are indicative - this package price is based on 20 people.

Start the afternoon in true style at local fashion store Et Vous. View a selection of the best New Zealand and European fashion, and enjoy a personal styling talk which includes the looks of the season and tips for revamping your wardrobe. While at Et Vous, you'll have a makeup touch-up by artists from Blackbird Boutique, time to browse through the stunning fashion items in store and be spoilt with a luxury Et Vous gift package.

Once you're feeling glam, you'll be taken up the hill to the New York style bar at the luxurious Nice Hotel and Table Restaurant. Relax, recuperate and enjoy in total opulence under the stunning chandeliers, with a cocktail in one hand and sumptuous canapé in the other - yes please!

WHAT TO BRING:

If you'd like some tips on revamping your wardrobe, bring along one of your favourite items of clothing that you may have got a bit bored with and the Et Vous team will help you give it a fresh look.

NICE HOTEL MENU:

Included in the price is one glass of bubbles or one cocktail with two - three canapés per person.

A more substantial meal and drinks menu can be provided.
